Missionary's Name: _____ Age: _____ School: _____

Kingdom's Kids Ministry, is a non-profit 501© (3) organization dedicated to the spiritual, emotional, and physical well-being of those most unfortunate. For over ten years, we have worked in third world countries, such as the Republic of Moldova and Romania, reaching out to orphans and homeless children, as well as underprivileged families.

This summer, as in past years, a group of young adults are going on a mission trip to the Republic of Moldova. They will be working in the many dilapidated and poorly equipped orphanages with children who live devoid of the necessities which we often take for granted, such as running water, shoes, heat and electricity. These missionaries will be able to provide food, clothing, shoes, medical supplies as well as offering their time and love to those who are abandoned, poor, and orphaned.

The youth named above would like to be a part of this amazing work and this dedicated team. Therefore, he/she must raise the funds he/she personally needs for this mission trip in order to pay for the plane ticket, lodging, and transportation. The amount each missionary will need is \$1,500. We respectfully ask you to consider sponsoring him/her in order to help reach this goal.

We encourage you to check out our website, speak to our leaders and sponsors, and allow us to follow up with you after the mission trip so that you may see the faces of the children that you have helped us reach and whose lives you have impacted through us.

Please make all checks payable to Kingdom's Kids Ministry. All donations are tax-deductible. Receipts will be promptly mailed to the address you have listed below:

Name of Sponsor _____ Amount donated _____

Address of Sponsor _____

Phone# of Sponsor _____ Notes / requests / interests _____
